Kredittilsynet (The Financial Supervisory Authority of Norway) warns against misleading information from Simray ASA / My Private Trade

Simray ASA (Simray), formerly known as Simray Holdings LLC, has on several occasions declared that, or provided information that gives the impression that the company is regulated by Kredittilsynet and offers services approved by Kredittilsynet.

Simray offers services on the websites www.millitrade.com, www.pipforex.com, www.myprivatetrade.com and www.mpt-network.com.

Simray and its activities are not regulated by Kredittilsynet. The company does not have any authorisations or licences from Kredittilsynet and Kredittilsynet has not approved the services offered on the above mentioned websites.
