- c) Authorise the Directors to fix the annual remuneration of the Auditors; and
- d) Approve and adopt a revised Memorandum and Articles of Association of the Company;

This Circular and the enclosed documentation, which I would encourage you to read carefully, relate to these proposals.

a) The Directors’ report, the auditor’s report and the financial statements of the Company for the period ended 30 June 2016 and review of the Company’s affairs

Shareholders of the Company are asked to receive and consider the Directors’ report, the auditor’s report and the financial statements for the period ended 30 June 2016, which are available for review on the website, www.gam.com and to review the Company’s affairs. A hard copy or a soft copy of the annual financial statements and/or half-yearly results can also be obtained from GAM upon request.

b) Reappointment of the Company’s Auditors

Shareholders of the Company are asked to approve the reappointment of PricewaterhouseCoopers as Auditors to the Company.

c) Auditors’ Remuneration

Shareholders of the Company are asked to authorise the Directors to fix the annual remuneration of the Auditors.

d) Proposed amendments to the Company’s Memorandum and Articles of Association

The proposed amendments to be incorporated into the revised Memorandum & Articles of Association (“M&A”), which the Company’s shareholders will be asked to approve and adopt, are detailed in full in the accompanying draft M&A. A summary of the principal proposed amendments to the M&A is set out below and the M&A will also be amended to include all re-numbering and updating of cross references and dates, as appropriate.

Article 2 and Article 98

The UCITS Regulations provide that a UCITS may only invest in another UCITS or eligible collective investment scheme (collectively, an “Eligible Fund”) if the Eligible Fund itself invests no more than 10% of net assets in other collective investment schemes and if the Eligible Fund’s constitutive document restricts its investment in units of other UCITS or eligible collective investment schemes to 10% of assets. In order to address this point and clarify the Company can be classified as an “Eligible Fund” into which other UCITS may invest, it is proposed to update the definitions section at Article 2 and Article 98 of the Articles of Association.

Article 12

It is proposed to update Article 12 to include a specific power to operate cash accounts in the name of a Fund or umbrella cash accounts in the name of the Company for the purposes of managing subscription monies, redemption monies, dividends and/or other cash flows to and from shareholders, in accordance with the requirements of the Central Bank.

Article 13

It is proposed to update Article 13(5) to reflect the provisions of the Central Bank (Supervision and Enforcement) Act 2013 (Section 48(1)) (Undertakings for Collective Investment in Transferable Securities) Regulations 2015, as amended (the "Central Bank UCITS Regulations") in respect of in-specie subscriptions for shares.

It is also proposed to include a new Article 13(6) to clarify the rights of the Company in the event of a delay in receipt of cleared funds for the subscription of shares, namely the ability to borrow an amount up to the value of the delayed subscription on or after the relevant settlement date and to charge the relevant investor for any interest or costs borne by the Company or its service providers as a result of such delay/failure to pay such subscription monies on the part of the shareholder. It is also proposed to clarify the Company will have the power to compulsorily redeem all or part of the shareholder's shares in the relevant Fund in order to meet such charges and expenses.

Article 19

It is proposed to update Article 19(d) to reflect the provisions of the Central Bank UCITS Regulations in respect of the increase in any maximum repurchase fee for shares. Any increase in the maximum repurchase fee for shares requires the prior approval of shareholders on the basis of a simple majority of votes cast in a general meeting of the Company or with the prior written approval of all shareholders.

It is also proposed to update Article 19(i) in accordance with the requirements of the Central Bank UCITS Regulations in respect of the operation of any redemption gate. At present, redemption requests which are carried over following the imposition of the redemption gate are to be treated in priority to any redemption requests received after the gate has been imposed. However, this approach is no longer permissible pursuant to the Central Bank UCITS Regulations. As such it is necessary to amend the provisions of this Article to provide that, where the redemption gate is applied, any unsatisfied redemption requests will not receive priority. Instead, on the dealing day following the imposition of the gate, all redemption requests will be dealt with on a pro rata basis should the gate continue to apply.

Article 52

It is proposed to update Article 52 to cross-refer to the notice periods for extraordinary general meetings as are required by the Companies Act 2014.

Article 146

The Companies Act 2014 requires a special resolution to approve the distribution of assets in specie on a winding up of the Company. It is proposed to update Article 146 to provide for a special resolution (instead of an ordinary resolution) to be passed in such circumstances.

- (ii) Participating Shares in a Fund which have been repurchased or in respect of which a purchase has been procured in accordance with Article 19 shall be deemed to cease to be in issue on the Dealing Day on which they are repurchased but subsequent to the Valuation Point in respect of that Dealing Day.

Participating Shares of the relevant class or Series may be allotted and issued at the fixed price whether pursuant to such invitation or not provided that the Directors shall forthwith close such invitation if the fixed price would be higher by more than two per cent than the current Subscription Price for Participating Shares of that class or Series on any Dealing Day during the currency of such invitation and shall forthwith close such invitation if the fixed price would be lower by more than two per cent than the current Subscription Price for Participating Shares of that class or Series on any such Dealing Day.
- (5) Provided that the ~~Directors-Depositary~~ shall be satisfied that the terms of any such exchange shall not be such as will result in any material prejudice to existing Members (if any) the Directors may in their absolute discretion allot Participating Shares of any class or Series against the ~~vesting in transfer into~~ the Company of any Investments which qualify as Investments of the relevant Fund in accordance with the investment objectives, policies and restrictions of that Fund and in connection therewith the following provisions shall apply:-
- (a) the number of Participating Shares of the relevant class or Series to be allotted shall be not more than that number which would have fallen to be issued for cash (comprising the total of the relevant Subscription Price plus any preliminary charge to which the Investment Advisor would be entitled under Article 14) hereof on the relevant Dealing Day as herein before in this Article provided on the basis that the amount of such cash was an amount equal to the value as at the Dealing Day of the Investments to be ~~vested in transferred~~ into the Company, as determined in accordance with sub-paragraph (ed) below;
- (b) the Directors may provide that the whole or any part of the Duties and Charges arising in connection with the ~~vesting transfer~~ of the Investments ~~in~~ into the Company shall be paid by the Company or by the person to whom the Participating Shares are to be issued or partly by the Company and partly by such person;
- (c) no Shares shall be issued until the Investments shall have been vested in the Depositary to the Depositary's satisfaction or arrangements have been made to vest the Investments with the Depositary
- (d) (e)the value of the Investments to be ~~vested in transferred into~~ the

Company shall be determined by the Directors on such basis as they shall decide so long as such value does not exceed the highest amount which would be obtained if the Investments were valued in accordance with Article 18; and

- (e) ~~(d)~~ in the case of the initial issue of Participating Shares of any class or Series, the Directors shall determine the number of Participating Shares of the relevant class or Series to be allotted against the ~~vesting~~ in-transfer into the Company of any Investments.

If the Company or any of its nominees is entitled to a preliminary charge pursuant to Article 14 hereof, a person to whom a Participating Share of any class or Series shall have been issued shall be deemed to have paid an amount equal to that charge which would have been payable if the Participating Shares allotted to him had been issued for cash and such amount shall be payable to the Company or as it shall direct out of the relevant Fund.

- (6) In the event of a delay in cleared funds specified in sub-paragraph (b) of Article 13(1) hereof being received by the Company or its authorised agent within the usual time limits which the Directors may determine as reasonable and as disclosed in the prospectus of the Company, the Company may temporarily borrow an amount up to the value of the delayed subscription on or after the relevant settlement date. The Company reserves the right to charge the relevant Shareholder for any interest, costs, charges and expenses incurred by the Company, the Manager, the Depositary or their delegates as a result of any borrowing arising from such delay or failure to settle subscription monies on time. The Company also reserves the right to compulsorily redeem all or part of the investor's holding of Shares in the relevant Fund in order to meet such interest, costs, charges and expenses and any other losses incurred by or on behalf of the Company and/or to pursue that Shareholder for any shortfall.

14. The Directors may require any person to whom Participating Shares of any class or Series are to be allotted to pay to the Company or as it may direct for its absolute use and benefit a preliminary charge in respect of each Participating Share to be allotted of such amount as may be determined by the Directors but not exceeding in respect of each Participating Share to be allotted an amount equal to 5 per cent of the current Net Asset Value of a Participating Share of the relevant class or Series (determined as aforesaid). The Directors may on any Dealing Day differentiate between applicants as to the amount of the preliminary charge required to be paid and as to the amount of preliminary charge to be levied on each class of Participating Share (subject to the maximum aforesaid).
15.
 - (a) No Participating Shares of any particular class or Series shall be allotted or issued during any period when the determination of the Net Asset Value of the Fund maintained for that class of Participating Share or Series is suspended pursuant to Article 21 hereof except those for which applications have previously been received and accepted by the Company or its authorised agent.
 - (b) Where payments or other consideration received by or on behalf of the Company in respect of the issue or allotment of Participating Shares are not an exact multiple of the Subscription Price a fraction of a Participating Share shall be allotted to the incoming Member who shall be registered as the holder of such a fraction provided that any holding of Participating Shares is a multiple of 1/100 part of a Participating Share. Rights entitlements and benefits of a holder of a Participating Share under the Articles are granted to a holder of a fraction of a Participating Share in proportion to the fraction of a Participating Share held by him and, except where the context otherwise requires or is otherwise provided herein, reference in the Articles to "share" shall include a fraction of a Participating Share. Notwithstanding anything contained in the Articles the holder of a fraction of a Participating Share may not exercise any voting rights in respect of such Participating Share.
16. The Directors may decline to issue Participating Shares of any class or Series to satisfy any initial application unless the amount in value of the Participating Shares to which an application relates equals or exceeds the Minimum Investment Amount or its equivalent in another currency or such other amount as the Directors may from time to time determine in relation to any class of Participating Shares or Series. Thereafter Members may make additional subscriptions for Participating Shares of any class or Series having a value, at the then current Subscription Price of not less than the Minimum Additional Investment Amount or its equivalent in another currency or such other amount as the Directors may agree.

COMPULSORY REPURCHASE OR TRANSFER

- 17.(1)(a) The Directors shall have power (but shall not be under any duty) to impose such restrictions as they may think necessary for the purpose of ensuring that no Participating Shares of any class or Series are acquired or held directly or beneficially by:
 - (i) any person who appears to be in breach of any law or requirement of any country or governmental authority or by virtue of which such person is not qualified to hold such shares; or

- (ii) any United States person (other than pursuant to an exemption available under the laws of the United States); or
 - (iii) any person or persons in circumstances which, (whether directly or indirectly affecting such person or persons and whether taken alone or in conjunction with any other person or persons connected or not, or any other circumstances appearing to the Directors to be relevant) in the opinion of the Directors might result in the Company incurring any liability to taxation or suffering pecuniary disadvantages (including without limitation a continuous pattern of large subscriptions and repurchases in pursuit of a market timing strategy or otherwise) which the Company might not otherwise have incurred or suffered.
- (b) For this purpose, "any United States person" means, unless otherwise determined by the directors, a person resident in the United States, a citizen of the United States, a corporation, partnership or other entity created or organised in or under the laws of the United States, or any person falling within the definition of the term "US Person" under Regulation S promulgated under the United States Securities Act of 1933, as amended.
- (c) The Directors shall, unless any Director has reason to believe otherwise, be entitled to assume without enquiry that none of the Participating Shares are held in such a way as to entitle the Directors to give a notice in respect thereof pursuant to sub-paragraph (d)(i) below. The Directors may, however, upon an application for Participating Shares or at any other time and from time to time require such evidence and/or undertakings to be furnished to them in connection with the matters stated in sub-paragraph (a) above as they shall in their discretion deem sufficient or as they may require for the purpose of any restriction imposed pursuant thereto. In the event of such evidence and/or undertakings not being so provided within such reasonable period (not being less than 21 days after service of notice requiring the same) as may be specified by the Directors in the said notice, the Directors may, in their absolute discretion, treat any Participating Shares held by such a holder or joint holder as being held in such a way as to entitle them to serve a notice in respect thereof pursuant to sub-paragraph (d)(i) below.
- (d) (i) If it shall come to the notice of the Directors that any Participating Shares are or may be owned or held directly or beneficially by any person or persons in breach of any restrictions imposed under (a) above (the "Relevant Shares"), the Directors may give notice to the person or persons in whose name(s) the Relevant Shares are registered requiring him to transfer (and/or procure the disposal of interests in) the Relevant Shares to a person who is in the opinion of the Directors a Qualified Person or to give a request in writing for the repurchase of the Relevant Shares in accordance with Article 19(a) below. If any person upon whom such a notice is served pursuant to this sub-paragraph does not within 21 days after the giving of such notice (or such extended time as the Directors in their absolute discretion shall consider reasonable) transfer the Relevant Shares to a Qualified Person, request the Company so to repurchase the Relevant Shares or establish to the satisfaction of the Directors (whose judgement shall be final and binding) that he is not subject to such restrictions the Directors may in their absolute discretion upon the expiration of such 21 days arrange for the repurchase of all the

Relevant Shares pursuant to Article 19 below or approve the transfer of all the Relevant Shares to a Qualified Person in accordance with paragraph (iii) below and the holder of the Relevant Shares shall be bound forthwith to deliver his certificate or certificates (if any) to the Directors and the Directors shall be entitled to appoint any person to sign on his behalf such documents as may be required for the purpose of the repurchase or transfer of the Relevant Shares by the Company.

- (ii) A person who becomes aware that he is holding or owning Relevant Shares shall forthwith unless he has already received a notice pursuant to sub-paragraph (i) above either transfer all his Relevant Shares to a Qualified Person or give a request in writing for the repurchase of all his Relevant Shares in accordance with Article 19(a) below.
 - (iii) A transfer of Relevant Shares arranged by the Directors pursuant to (i) above, shall be by way of sale at the best price reasonably obtainable and may be of all of or part only of the Relevant Shares with a balance available for repurchase in accordance with the provisions of Article 19 or transfer to other Qualified Persons. Any payment received by the Company for the Relevant Shares so transferred shall be paid to the person whose Participating Shares have been so transferred subject to sub-paragraph (iv) below.
 - (iv) Payment of any amount due to such person pursuant to sub-paragraph (i), (ii) or (iii) above shall be subject to any requisite exchange control consents first having been obtained and the amount due to such person will be deposited by the Company in a bank for payment to such person upon such consents being obtained against surrender of the certificate or certificates representing the Relevant Shares previously held by such person. Upon deposit of such amount as aforesaid such person shall have no further interest in such Relevant Shares or any of them or any claim against the Company in respect thereof except the right to receive such amount so deposited (without interest) upon such consents as aforesaid being obtained.
 - (v) The Directors shall not be required to give any reasons for any decision, determination or declaration taken or made in accordance with this Article. The exercise of the powers conferred by this Article shall not be questioned or invalidated in any case on the grounds that there was insufficient evidence of direct or beneficial ownership of Participating Shares by any person or that the true direct or beneficial owner of any Participating Shares was otherwise than appeared to the Directors at the relevant date provided that the powers shall be exercised in good faith.
- (e) If the Company becomes liable to account for tax in any jurisdiction in the event that a Member or beneficial owner of a share in the capital of the Company were to receive a distribution in respect of his/her shares or to dispose (or deemed to have disposed) of his/her shares in any way (a "Chargeable Event"), the Company shall be entitled to deduct from the payment arising on a Chargeable Event an amount equal to the appropriate tax and/or where applicable, to appropriate, cancel or compulsorily repurchase such number of shares held by the Member or such beneficial owner as are required to meet the amount of tax. The relevant Member shall

indemnify and keep the Company indemnified against loss arising to the Company by reason of the Company becoming liable to account for tax in any jurisdiction on the happening of a Chargeable Event if no such deductions, appropriation, cancellation or compulsorily repurchase has been made.

- (f) Where the Net Asset Value of the Company, Fund, class or Series shall be less than such amount as may be determined by the Directors in respect of the Company, Fund, class or Series, the Directors, in conjunction with the Investment Advisor, may determine in their absolute discretion that it is in the interests of the holders of Participating Shares in the Company, Fund, class or Series to compulsorily repurchase all the Participating Shares in issue in the Company, Fund, class or Series. If the Directors so determine to compulsorily repurchase all the Participating Shares in issue in the Company, Fund, class or Series, the Directors shall give notice of the compulsory repurchase to the holders of Participating Shares in the Company, Fund, class or Series and by such notice fix the date at which such compulsory repurchase is to take effect, which date shall be for such period after the service of such notice as the Directors shall at their absolute discretion determine. The decision of the Directors shall be final and binding on all parties concerned but the Directors shall be under no liability on account of any failure to compulsorily repurchase all the Participating Shares in issue in the Company, Fund, class or Series pursuant to this Article. Any compulsory repurchase pursuant to this Article shall be in accordance with the requirements of the Competent Authority.
 - (g) Where all the Participating Shares in a class or Series are compulsorily repurchased by the Directors pursuant to Article 17(1)(f) hereof or voluntarily repurchased by the Members pursuant to Article 19(a) hereof the Directors, in conjunction with the Investment Advisor, may subsequent to the compulsory or voluntary repurchase make an initial issue of Participating Shares in that class or Series at the Subscription Price per Participating Share determined by the Directors in accordance with Article 13(1)(a) hereof. Any such issue of Participating Shares pursuant to this Article shall be in accordance with the requirements of the Competent Authority.
 - (h) If any declarations or information is outstanding pursuant to Article 13(1)(a) hereof (including inter alia any declarations or information required pursuant to anti-money laundering or counter terrorist financing requirements), the Directors shall be entitled to give notice (in such form as the Directors deem appropriate) of their intention to compulsorily repurchase that person's Participating Shares. The Directors may charge any such Member, any legal, accounting or administration costs associated with such compulsory repurchase. In the event of a compulsory repurchase, the Repurchase Price per Participating Share will be determined as of the Valuation Point in respect of the relevant Dealing Day specified by the Directors in their notice to the Member. The proceeds of a compulsory repurchase shall be paid in accordance with Article 19 hereof.
- (2) (a) Any Fund may be terminated by the Directors in their absolute discretion by notice in writing to the Depository in any of the following events:-

- (i) if the Net Asset Value of the relevant Fund shall be less than such amount as may be determined by the Directors in respect of that Fund;
- (ii) if any Fund shall cease to be authorised or otherwise officially approved;
- (iii) if any law shall be passed which renders it illegal or in the opinion of the Directors impracticable or inadvisable to continue the relevant Fund.

The decision of the Directors in any of the events specified herein shall be final and binding on all the parties concerned but the Directors shall be under no liability on account of any failure to terminate the relevant Fund pursuant to this Article or otherwise.

- (b) The Directors shall give notice of termination of a Fund to the holders of Participating Shares in the relevant Fund and by such notice fix the date at which such termination is to take effect, which date shall be for such period after the service of such notice as the Directors shall at their absolute discretion determine.
- (c) With effect on and from the date as at which any Fund is to terminate:-
 - (i) No Participating Shares of the relevant class, classes or Series may be issued or sold by the Company and neither the Company nor any holder of Participating Shares of the relevant class, classes or Series shall have any right to require the cancellation or repurchase of any such Participating Shares;
 - (ii) The Investment Advisor(s) shall on the instructions of the Directors realise all the assets then comprised in the relevant Fund (which realisation shall be carried out and completed in such manner and within such period after the termination of the relevant Fund as the Directors think advisable); and
 - (iii) The Depositary shall on the instructions of the Directors from time to time distribute to the holders of Participating Shares of the relevant class, classes or Series in proportion to their respective interests in the relevant Fund all net cash proceeds derived from the realisation of the relevant Fund and available for the purpose of such distribution, provided that the Depositary shall not be bound (except in the case of the final distribution) to distribute any of the monies for the time being in its hands the amount of which is insufficient to pay €20 or its equivalent amount in the relevant currency in respect of each Participating Share of the relevant class, classes or Series and provided also that the Depositary shall be entitled to retain out of any monies in its hands as part of the relevant Fund full provision for all costs, charges, expenses, claims and demands incurred, made or apprehended by the Depositary or the Directors in connection with or arising out of the termination of the relevant Fund and out of the monies so retained to be indemnified and saved harmless against any such costs, charges, expenses, claims and demands.

Every such distribution shall be made in such manner as the Directors shall at their discretion determine but shall be made only against production of the certificates (if any) relating to the Participating Shares of the relevant class, classes or Series in respect of which the same is made and upon delivery to the Depositary of such form of request for payment as the Depositary shall in its absolute discretion require. All certificates shall in the case of an interim distribution be encased by the Depositary with a memorandum of payments made and in the case of the final distribution shall be surrendered to the Depositary. Any unclaimed proceeds or other cash held by the Depositary hereunder may at the expiration of twelve months from the date upon which the same were payable be paid into court subject to the right of the Depositary to deduct therefrom any expenses it may incur in making such payment.

- (d) The Directors shall have the power to repurchase Participating Shares on such terms and conditions as contained in a scheme of reconstruction and amalgamation pursuant to the provisions of the paragraph below.

The Directors shall have the power to reconstruct and amalgamate the Company or any Fund or any part thereof on such terms and conditions as set out in a scheme of reconstruction and amalgamation approved by the Directors subject to the following conditions namely:

- (i) that the prior approval of the Competent Authority has been obtained; and
- (ii) that the Members of the Company or of the relevant Fund or Members of the relevant class of Shares or Series in a Fund whose rights in the opinion of the Directors are affected have been circulated with particulars of the scheme in the form approved by the Directors and a Special Resolution of the Members of the Company or of the relevant Fund or of the relevant class or Series has been passed approving the said scheme;

then the relevant scheme of reconstruction or amalgamation shall take effect upon such conditions being satisfied or upon such later date as the scheme may provide whereupon the terms of such scheme shall be binding upon all the Members who shall be bound to give effect thereof and the Directors shall do all such acts and things as may be necessary for the implementation thereof.

- (e) All references to "Fund" in Article 17 (2) (a), (b) and (c) shall be deemed to refer equally to "class of Participating Share" or "Series" so that an individual class of Participating Shares or Series may be terminated without any other class or Series in the same Fund or the Fund itself having to be terminated and the provisions of Article 17 (2) (a), (b) and (c) shall apply so that all references to "Fund" shall be deemed to refer equally to "class of Participating Share" or "Series", save that notwithstanding Article 17 (2) (c) (ii) upon the termination of a class of Participating Shares or Series, the Investment Advisor(s) shall on the instructions of the Directors realise that proportion of the assets of the relevant Fund attributable to the class of Participating Shares or Series.

- (3) If a majority (exceeding fifty per cent.) of the shares in issue in the Company, a Fund, a class of Participating Shares or Series have been placed for repurchase on any one

Dealing Day, and the Directors, in conjunction with the Investment Advisor (having regard to the size of the Company, Fund, class or Series and the ability to meet its investment objectives) determine in their absolute discretion that it is in the interests of the remaining Members to discontinue the operation of the Company, Fund, class or Series, the Directors have the power to compulsorily repurchase the remaining shares in issue. In the event of the above circumstances arising, all requests for the issue or repurchase of shares in the Company, a Fund, a class of Participating Shares or Series (whichever is the case) will be suspended. To ensure equality between all Members in the Company, a Fund, a class or Series of Participating Shares (whichever is the case), the Directors may instigate a process of liquidation of all the assets of the Company or Fund or a proportion of the assets of a Fund attributable to a class or Series in accordance with the procedures for winding up and pay the proceeds, net of any costs and provisions for liabilities of the Company or Fund or proportion of the liabilities of a Fund attributable to a class or Series, to Members in proportion to their shareholdings at the relevant Dealing Day. Such proceeds will be paid in one or more instalments, on a basis pro rata to their shareholdings, as soon as practicable after the relevant Dealing Day, allowing for the time required to liquidate the assets of the Company or Fund or a proportion of the assets of a Fund attributable to a class or Series and determine all outstanding liabilities.

- (4) The Company may by not less than four nor more than twelve weeks' notice expiring on a Dealing Day to holders of Participating Shares in the Company, Fund, class or Series redeem at the Repurchase Price with respect to such Dealing Day, all of the Participating Shares in the Company, Fund, class of Participating Shares or Series not previously redeemed.

DETERMINATION OF NET ASSET VALUE

18. (a) The Net Asset Value of a Fund shall be expressed in the currency in which the Participating Shares are designated or in such other currency as the Manager may determine either generally or in relation to a particular class of Participating Share or Series or in a specific case, and shall be determined, subject to Article 21 hereof, in accordance with the valuation rules set out hereafter, as at every Valuation Point and shall be the value as at such Valuation Point of all of the assets comprised in the relevant Fund less all the liabilities of the relevant Fund, subject to the Regulations and any regulations made by the Competent Authority pursuant to the Regulations. The Manager may employ methods to ensure that the Net Asset Value per Participating Share of any Fund is stabilised so that sales and repurchases of Participating Shares in that Fund are effected at a constant share price.
- (b) The assets of the Company, and where the context so admits or requires any Fund, shall be determined to include:-
- all cash in hand, on deposit, or on call including any interest accrued thereon as at the relevant Valuation Point and all accounts receivable,
 - (ii) all bills, demand notes, certificates of deposit, and promissory notes,
 - (iii) all bonds, shares, stock, debentures, debenture stock, subscription rights, warrants, futures contracts, options, commodities, asset backed securities, mortgage backed securities, swap contracts, contracts for differences, fixed rate securities, floating rate securities, securities in respect of which the return and/or redemption amount is calculated by reference to any index, price or rate, financial instruments and other investments and securities owned or contracted for by the Company, other than rights and securities issued by it,

- (c) Where any Investment owned or contracted for by the Company is listed or dealt in on a Market, the value thereof shall be the closing price or (if bid and offered quotations are made) the middle market quotation price, being the quotation price midway between the latest available quotation offered and bid prices, on such Market for such amount and quantity of that investment as the Manager considers to provide a fair criterion. Where such Investment is listed or dealt in on more than one Market the Manager may in its absolute discretion select any one of such Markets for the purposes of valuation. The relevant Market shall be the one which constitutes the main market (or alternatively the one which the Manager determines provides the fairest criteria for valuing an Investment). Securities listed or traded on a Market but acquired at a premium or at a discount outside or off the Market may be valued taking into account the level of premium or discount as at the Valuation Point and the Depositary shall ensure the adoption of such a procedure is justifiable in the context of establishing the probable realisation value of the security. The Manager may value the Investments of a Fund (i) at lowest market dealing bid prices where on any Dealing Day the value of all redemption requests received exceeds the value of all applications for Shares received for that Dealing Day or at highest market dealing offer prices where on any Dealing Day the value of all applications for Shares received for that Dealing Day exceeds the value of all redemption requests received for that Dealing Day, in each case in order to preserve the value of the Shares held by existing Members; (ii) at bid and offer prices where a bid and offer value is used to determine the price at which shares are issued and redeemed; or (iii) at mid prices; provided in each case that the valuation policy selected by the Manager shall be applied consistently with respect to each Fund for so long as the Fund operates on a going concern basis.
- (d) The value of any Investment which is normally listed or dealt in on a Market but in respect of which no price is currently available shall be valued at the probable realisation value, estimated with care and good faith, by (i) the Manager; (ii) a competent person appointed by the Manager and approved for that purpose by the Depositary or (iii) shall be valued by any other means provided that the value is approved by the Depositary.
- (e) The value of any Investment which is not listed or dealt in on a Market shall be the probable realisation value, estimated with care and good faith, by (i) the Manager; (ii) a competent person appointed by the Manager and approved for that purpose by the Depositary or (iii) shall be valued by any other means provided that the value is approved by the Depositary.

- (f) The value of any cash in hand or on deposit, prepaid expenses, cash dividends and interest declared or accrued as aforesaid and not yet received as at a Valuation Point shall be deemed to be the face value thereof (together with interest declared or accrued but not yet received to the relevant Valuation Point) unless in any case the Manager is of the opinion that the same is unlikely to be paid or received in full in which case the value thereof shall be arrived at after making such discount as the Manager may consider appropriate in such case to reflect the true value thereof as at any Valuation Point.
- (g) The value of any demand notes, promissory notes and accounts receivable shall be deemed to be the face value or full amount thereof after making such discount as the Manager may consider appropriate to reflect the true current value thereof as at any Valuation Point.
- (h) Certificates of deposit, treasury bills, bank acceptances, trade bills and other negotiable instruments shall each be valued by reference to the best price bid for similar instruments of like maturity, amount and credit risk at each Valuation Point.
- (i) Forward foreign exchange contracts and interest rate swaps shall be valued in accordance with the valuation of derivatives as set out in the following paragraph or by reference to freely available market quotations.
- (j) Derivative contracts traded on a Market including without limitation futures and options contracts and index futures shall be valued at the settlement price as determined by the Market where the derivative contract is traded. If the settlement price is not available, the value of the derivative contract shall be the probable realisation value estimated with care and in good faith as valued by (i) the Manager; (ii) a competent person firm or corporation (including any Investment Advisor) selected by the Manager and approved for the purpose by the Depositary or (iii) any other means provided that the value is approved by the Depositary. Derivative contracts which are not traded on a Market including without limitation swap and swaption contracts may be valued either using the counterparty valuation or an alternative valuation such as a valuation calculated by the Company or by an independent pricing vendor. The Company must value an over the counter derivative on a daily basis. Where the Company values an over the counter derivative which is not traded on a regulated market and which is not cleared by a clearing counterparty the valuation shall be on the basis of the mark to market value of the derivative contract or if market conditions prevent marking to market, reliable and prudent marking to model may be used. Where the Company values an over the counter derivative which is cleared by a clearing counterparty using the clearing counterparty valuation, the valuation. must be approved or verified by a party who is approved for the purpose by the Depositary and who is independent of the counterparty and the independent verification must be carried out at least weekly. The reference to an independent party may include any Investment Advisor. It can also include a party related to the counterparty provided the related party constitutes an independent unit within the counterparty's group which does not rely on the same pricing models employed by the counterparty. Where the independent party is related to the over the counter counterparty and the risk exposure to the counterparty may be reduced through the provision of collateral, the position must also be subject to verification by an unrelated party to the counterparty on a six monthly basis.

- (k) The value of units or shares or other similar participation in any collective investment scheme which provides for the units or shares or other similar participation therein to be redeemed at the option of the holder out of the assets of that undertaking shall be valued at the last published net asset value per unit or share or other similar participation as at a Valuation Point or if bid and offer prices are published the price midway between the last available bid and offer prices.
- (l) Notwithstanding any of the foregoing sub-paragraphs, the Manager may with the approval of the Depositary adjust the value of any Investment, if having regard to currency, dealing costs, applicable rate of interest, anticipated rate of dividend, maturity, marketability, liquidity and/or such other considerations as they may deem relevant, they consider that such adjustment is required to reflect the fair value thereof as at any Valuation Point.
- (m) If in any case a particular value is not ascertainable as above provided or if the Manager shall consider that some other method of valuation better reflects the fair value of the relevant Investment then in such case the method of valuation of the relevant Investment shall be such as the Manager in their absolute discretion shall determine with the concurrence of the Depositary, provided that the Depositary shall have fulfilled its obligation in any such case if, on being requested by the Manager to give its concurrence with any such valuation method, the Depositary confirms whether or not such method appears to it, in good faith, to be manifestly unreasonable or unsuitable.
- (n) Notwithstanding the foregoing, where at any Valuation Point any asset of the Company has been realised or contracted to be realised there shall be included in the assets of the Company in place of such asset the net amount receivable by the Company in respect thereof provided that if such amount is not then known exactly then its value shall be the net amount estimated by the Manager as receivable by the Company **PROVIDED THAT** if the net amount receivable is not payable until some future time after the time of any Valuation Point in question the Manager shall make such allowance as they consider appropriate to reflect the true current value thereof as at the relevant Valuation Point.
- (o) For the purposes of ascertaining or obtaining any price, quotation, rate or other value referred to in the preceding paragraphs of this Article for use in determining the value of any asset comprised in any Fund the Manager shall be entitled to use the services of any recognised information or pricing service.
- (p) Any valuations made pursuant to these Articles shall be binding on all persons.
- (q) The liabilities of the Company and where the context so admits or requires any Fund, shall be deemed, without limitation, to include unless otherwise provided:-
- (i) all bills, notes and accounts payable;
 - (ii) all administrative expenses payable and/or accrued (the latter on a day-to-day basis);

- (iii) all known liabilities including the amount of any unpaid dividend declared upon the Participating Shares in any Fund, contractual obligations for the acquisition of Investments or other property or for the payment of money and outstanding payments on any Participating Shares previously repurchased;

- (v) all other liabilities of the Company of whatsoever kind and nature except liabilities represented by shares in the Company and reserves (other than reserves authorised or approved by the Manager for Duties and Charges or contingencies).

In determining the amount of such liabilities the Manager may calculate administrative and other expenses of a regular or recurring nature on an estimated figure for yearly or other periods in advance and accrue the same in equal proportions over any such period.

- (r) For the purposes of this Article:-
 - (i) Monies payable to the Company in respect of the allotment of Participating Shares of any class or Series shall be deemed to be an asset of the relevant Fund as of the time at which such Participating Shares are deemed to be in issue in accordance with Article 13(3) hereof;
 - (ii) Monies payable by the Company on the repurchase by the Company of Participating Shares pursuant to repurchase requests or monies payable by the Company as a result of the cancellation of allotments shall be deemed to be a liability of the relevant Fund from the time at which such Participating Shares are deemed to cease to be in issue in accordance with Article 13(3) hereof. Monies payable by the Company as a result of the cancellation of allotments shall be deemed to be a liability of the relevant Fund from the time at which such Participating Shares are deemed to cease to be in issue in accordance with Article 13(3) hereof; and
 - (iii) Monies due to be transferred from one Fund to another pursuant to exchange notices shall be deemed to be a liability of the first Fund and an asset of the second Fund immediately after the Valuation Point for the Dealing Day on which the exchange notice is received or deemed to be received in accordance with Article 20 hereof.
- (s) Where the current price of an Investment is quoted "ex" any dividend (including stock dividend), interest or other rights to which the relevant Fund is entitled but such dividend, interest or the property to which such rights relate has not been received and is not taken into account under any other provisions of this Article, the amount of such dividend, interest, property or cash shall be taken into account.
- (t) Any assets held, including funds on deposit and amounts payable to the Company and any liabilities and amounts payable by the Company, in respect of any Fund in a currency other than that in which that Fund is designated

- (u) The Manager may at its discretion apply to the Net Asset Value a sum representing a provision for Duties and Charges relating to the acquisition and disposal of Investments of the Company.
- (v) The Manager shall be entitled to determine in relation to any costs, charges, fees and expenses that may be charged against a Fund that the same may be amortised over such period as they think fit.
- (w) In the case of a Fund which is a short term money market fund, the Manager may value the assets of the Fund using the amortised cost method of valuation if the use of such method of valuation is permissible pursuant to the Competent Authority's Requirements. The Manager or their delegates shall review or cause a review to be carried out weekly of discrepancies between the market value and the amortised value of the money market instruments and ensure escalation procedures in accordance with the requirements of the Competent Authority are put in place to ensure that any material discrepancies between the market value and the amortised cost value of a money-market instrument is brought to the attention of personnel who are responsible for the investment management of the Company.
- (x) In the case of a Fund which is not a money market fund, the Manager may value money market instruments having a residual maturity of less than three months using the amortised cost method of valuation where such securities have no specific sensitivity to market parameters, including credit risk.

REPURCHASE

19. (a) Subject to the provisions of the Regulations and subject as hereinafter provided the Company shall on receipt by it or its authorised agent(s) of a request (which request may at the Directors' discretion, either generally or in relation to any specific request, be made in writing, by facsimile or by telex or by such other means or in such other form as the Directors may from time to time determine) by a holder of Participating Shares of any class or Series ("the Applicant") repurchase all or any portion of Participating Shares held by the Applicant at the repurchase price for each such Participating Share of the class or Series concerned determined in accordance with paragraph (b) of this Article ("the Repurchase Price"), or procure the purchase thereof at not less than the Repurchase Price. Such request to repurchase must be accompanied by the duly endorsed certificate or certificates (if any) issued for the Participating Shares to which it relates.

PROVIDED THAT:-

- (i) The repurchase or purchase of Participating Shares of any class or Series pursuant to this Article shall be made on a Dealing Day in respect of such requests received on or prior to the Dealing Deadline by the Company or its authorised agent or on such other Business Day as the Directors at the request of the Applicant may agree.
- (ii) Any such request received after the Dealing Deadline for a Dealing Day may be deemed by the Directors to have been received by the

next following Dealing Deadline.

- (iii) Subject as hereinafter in this Article provided, the Applicant shall not be entitled to withdraw a request duly made in accordance with this Article.
 - (iv) If the determination of the Net Asset Value of any particular Fund is suspended on any Dealing Day by reason of a declaration by the Directors pursuant to Article 21 hereof (suspension of the determination of Net Asset Value) the right of the Applicant to have his Participating Shares repurchased or purchased pursuant to this Article shall be similarly suspended and during the period of suspension he may withdraw his request for repurchase. If the request is not so withdrawn the repurchase or purchase of the Participating Shares shall be made on the Dealing Day next following the end of the suspension or on such earlier Business Day following the end of the suspension as the Directors at the request of the Applicant may agree.
 - (v) Any amount payable to the Applicant in connection with the repurchase or purchase of Participating Shares shall at the risk and cost of the Applicant be paid in the same currency as that in which that class of Participating Shares or Series is designated or in such other currency as the Directors shall agree either generally or in relation to any class of Participating Shares or Series or in any particular case. Any such amount may at the option of the Directors and at the request of the Applicant but at his risk and cost be remitted by telegraphic transfer or other interbank transfer method to the bank account specified in the Applicant's repurchase request not later than the relevant Settlement Date. In all other instances any such amount may, if requested, be posted in the form of a negotiable instrument at the Applicant's risk by or on behalf of the Company to the Applicant not later than the Settlement Date for that Fund. If the amount to be paid by the Company as aforesaid shall not be expressed in the currency in which the Participating Shares which the Company has repurchased were designated then the rate of exchange between that currency and the currency agreed for payment shall be such rate as the Directors shall consider appropriate. The cost of conversion (if any) shall be debited from the converted payment. The certificate of the Directors as to the conversion rate applicable and as to the cost of conversion shall be conclusive and binding on all persons.
 - (vi) Subject to instructions from the Applicant to the Company (or its authorised agent) by such means or in such form as the Directors may from time to time agree directing otherwise, the Company (or its authorised agent) shall pay the proceeds of repurchase to the Applicant.
- (b) The Repurchase Price for a Participating Share of any class or Series shall be an amount as determined by the Directors on the relevant Dealing Day that is to say the Dealing Day referred to in sub-paragraph (a)(i) or (a)(ii) above by:
- (i) determining that proportion of the Net Asset Value of the relevant Fund which is attributable to the relevant class or Series or type of Participating Shares, (valued in accordance with Article 18 hereof as at the Valuation Point for the relevant Dealing Day, and adding

thereto such sum (if any) as the Directors may consider represents the appropriate provision for the Duties and Charges which would have been incurred on the assumption that all the Investments held by the Company in respect of the relevant Fund as at that Valuation Point had been purchased at that Valuation Point at prices equal to their respective values as at that Valuation Point, divided by the number of Participating Shares of the relevant class or Series or type. In addition to the proportion of the Net Asset Value of the relevant Fund in respect of a class or Series or type of Participating Shares, provision may be made for any liabilities or assets specifically allocated to the relevant class or Series or type of Participating Shares;

- (ii) calculating the Net Asset Value per Share to such number of decimal places as the Directors may determine or where appropriate the nearest smallest unit of account of the relevant Base Currency or where appropriate the currency of denomination of the relevant class of Participating Shares or Series.

In the event of requests for repurchase exceeding subscription applications for the relevant Fund on any Dealing Day and if the Manager so determines, the Manager may deduct from the Repurchase Price such provision representing an anti-dilution levy to provide for market spreads, dealing costs and to preserve the value of the underlying assets of the relevant Fund as the Manager determines.

- (c) Such portion of the Repurchase Price of any Participating Shares repurchased on a Dealing Day (except a Dealing Day which is a record day for the declaration of a dividend) as the Directors in their absolute discretion consider appropriate shall be deemed to be a distribution to the relevant Applicant of the proportion of the undistributed net revenue accrued to the relevant Fund up to such Dealing Day attributable to the Participating Shares in respect of which such Repurchase Price is payable.
- (d) The Directors may on any Dealing Day require an Applicant to pay to the Company or as it shall direct a repurchase fee in respect of each Participating Share to be repurchased of not more than 3 per cent of the current Repurchase Price of a Participating Share of the relevant class or Series prevailing on that Dealing Day. The maximum repurchase fee shall not be increased without the prior approval of Members on the basis of a simple majority of votes cast in a general meeting of the Company or with the prior written approval of all Members of the Company. In the event of an increase in the maximum repurchase fee in respect of each Participating Share a reasonable notification period will be provided by the Company to enable Members to redeem prior to the implementation of the increase.
- (e) The repurchase or purchase of Participating Shares under the provisions of this Article shall be deemed to be effected immediately after the Valuation Point for the relevant Dealing Day or such other day as may be agreed or determined pursuant to sub-paragraph (a)(i), (a)(ii) or (a)(iv) above but such Participating Shares shall remain in existence until they cease to be in issue in accordance with Article 13(3)(ii).
- (f) Upon the repurchase of a Participating Share being effected pursuant to these Articles, the Applicant shall cease to be entitled to any rights in respect thereof (excepting always the right to receive a dividend which has been

declared in respect thereof prior to such repurchase being effected) and accordingly his name shall be removed from the Register with respect thereto and the Participating Shares shall be treated as cancelled and the amount of issued share capital in respect of such class of Participating Shares or Series shall be reduced accordingly.

- (g) The Company may decline to repurchase or procure the purchase of Participating Shares if such repurchase or purchase shall reduce the number of Participating Shares of a particular Fund held by the Applicant below the Minimum Shareholding and any request which would have such an effect may be treated by the Company as a request to repurchase the Applicant's entire holding PROVIDED ALWAYS that the provisions of this paragraph shall not prevent a repurchase of the whole of a holding of Participating Shares of any class or Series less than the Minimum Shareholding nor shall this paragraph apply in circumstances where as a result of the Company restricting pro rata a request for repurchase in accordance with the provisions of paragraph (i) of this Article a Member's holding of Participating Shares is reduced below the Minimum Shareholding.
- (h) If repurchase requests (or instructions to effect Fund exchanges in accordance with Article 20) in respect of any Participating Shares are received by the Company the implementation of which on any Dealing Day will, in the opinion of the Directors, necessitate the realisation of Investments at a discount below their value as calculated in accordance with Article 18, the Repurchase Price shall be reduced by a proportionate part of such reduction in value or penalty which will be suffered by the relevant Fund in such manner as the Directors may consider fair and equitable. Alternatively, the Directors may arrange for the Company to borrow funds in accordance with Article 112 hereof and the costs of such borrowings shall be apportioned as aforesaid to such extent as the Directors may consider fair and equitable.
- (i) If the number of Participating Shares of a Fund in respect of which redemption requests have been received on any Dealing Day exceeds ten per cent of the total number of Participating Shares in issue in that particular Fund or exceeds ten per cent of the Net Asset Value of a particular Fund the Manager may in its discretion refuse to redeem any Participating Shares in that Fund in excess of ten per cent of the total number of Participating Shares in issue in that Fund or in excess of ten per cent of the Net Asset Value of that Fund and, if they so refuse, the requests for redemption on such Dealing Day shall be reduced pro-rata and the Participating Shares to which each request relates which are not redeemed by reason of such reduction shall be treated as if a request to redemption had been made in respect of each subsequent Dealing Day until all the Participating Shares to which the original request related have been redeemed. ~~Requests for redemptions which have been carried forward from an earlier Dealing Day shall (subject always to the foregoing limits) be complied with in priority to redemption requests received subsequently.~~
- (j) (i) The Company may, at the discretion of the Directors, satisfy any request for the repurchase of Participating Shares by the transfer in specie to an Applicant of assets of the relevant Fund having a value (calculated in accordance with Article 18) equal to the Repurchase Price for the Participating Shares repurchased as if the repurchase proceeds were paid in cash less any repurchase fee and other expenses of the transfer as the Directors may determine provided that the Applicant consents to such transfer in specie and the allocation of

assets of the Fund to the Applicant is approved by the Depositary. If in respect of any Applicant the repurchase monies in respect of Participating Shares held by him of any classes and/or Series of a Fund to be repurchased on any Dealing Day amount to more than five per cent of the Net Asset Value of such Fund on such day, the Manager shall have the power to divide in specie the whole or any part of the assets of the relevant Fund attributable and such classes and/or Series (provided that such a distribution would not be prejudicial to the interests of the remaining Members of the Fund) and shall have the right without the consent of the Applicant to elect by notice in writing to the Applicant to appropriate and transfer to him such assets as approved by the Depositary in full or part satisfaction of the Repurchase Price or any part of the said Repurchase Price.

- (ii) Where a notice of election is served under paragraph (j)(i) of this Article on an Applicant the Applicant may by a further notice served on the Company require the Company instead of transferring the assets in question to arrange at the cost of the Applicant (unless the Directors determine otherwise):-
 - (a) for a sale of the assets on behalf of the Applicant after the repurchase has been effected; and
 - (b) for payment to the Applicant of the net proceeds of such sale.
- (iii) Where there is a transfer of assets pursuant to paragraph (j)(i) of this Article the Depositary shall transfer to the Applicant his proportionate share of the assets of the relevant Fund. For the purposes of this paragraph "proportionate share" means such part of each type of asset in the relevant Fund as is proportionate to or as nearly as practicable proportionate to the Applicant's share or such selection from the assets of the relevant Fund as the Depositary shall after consultation with the Company decide as reasonable having regard to the need to be fair both to the Applicant and continuing holders of Participating Shares in the relevant Fund.
- (iv) Where there is to be a sale of assets under paragraph (j)(ii) of this Article:-
 - (a) the Company shall forthwith notify the Depositary of that fact and shall arrange for the sale of the assets that would have been transferred under paragraph (j)(i) of this Article (other than assets which are in cash in the relevant currency for the purposes of the repurchase); and
 - (b) the Depositary shall on receipt of such evidence of title as it may require pay to the Applicant the net proceeds of the sale and any relevant amounts in cash.
- (k) Where all the Participating Shares in a class or Series have been redeemed, the Directors may subsequent to such redemption make a subsequent issue of Participating Shares in that class or Series at a Subscription Price per Participating Share determined by the Directors. Any such issue of

Participating Shares pursuant to this Article shall be in accordance with the requirements of the Competent Authority.

- (l) Where relevant, if a redeeming Member holds Participating Shares of more than one Series within a class, Participating Shares will be redeemed on such basis as determined by the Directors and disclosed in the prospectus of the Company.

FUND EXCHANGES

20. Subject to these Articles and as hereinafter provided a Member holding Participating Shares of any class or Series in a Fund (the "first class") on any Dealing Day shall have the right from time to time to exchange all or any of such Participating Shares for Participating Shares of another class or Series in another Fund (the "new class") (such class or Series being either an existing class or Series or a class agreed by the Directors to be brought into existence with effect from that Dealing Day) on the following terms:-

- (a) The Member must satisfy the criteria laid down by the Directors for investment in the new class.
- (b) The Member shall give to the Company or its authorised agent(s) instructions (hereinafter called an "**Exchange Notice**") in such form and/or by such means as the Directors may from time to time determine.
- (c) The exchange of the Participating Shares specified in the Exchange Notice pursuant to this Article shall occur on a Dealing Day in respect of Exchange Notices received on or prior to the Dealing Deadline for that Dealing Day (or prior to such other time of day as the Directors may determine either generally or in relation to a particular class of Participating Shares or Series or in any specific case) by the Company or its authorised agent(s) or on such other Dealing Day as the Directors at the request of the Member may agree.
- (d) Exchange of the Participating Shares of the first class specified in the Exchange Notice shall be effected in the following manner, that is to say:-
 - (i) such Participating Shares of the first class shall be repurchased by the issue of Participating Shares of the new class;
 - (ii) the Participating Shares of the new class shall be issued in respect of and in proportion to (or as nearly as may be in proportion to) the holding of the Participating Shares of the first class which is being exchanged; and
 - (iii) the proportion in which Participating Shares of the new class are to be issued in respect of Participating Shares of the first class shall be determined in accordance with the following provisions of this Article;

Provided always that the right of a Member to exchange his Participating Shares for Participating Shares of another class or Series conferred by this Article shall be conditional upon the Company having sufficient available share capital to enable the exchange to be implemented as aforesaid.

- (e) The Directors shall determine the number of Participating Shares of the new class to be issued on exchange in accordance with the following formula:-
- $$S = R \times \frac{(RP \times ER)}{SP}$$

where:-

R is the number of Participating Shares of the first class specified in the Exchange Notice which the holder thereof has requested to be exchanged; and

S is the number of Participating Share of the new class to be issued; and

SP is the Subscription Price per Participating Share for the new class as calculated as at the Valuation Point for the Dealing Day on which the exchange is to be effected; and

ER in the case of an exchange of Participating Shares designated in the same currency, is 1. In any other case is the currency conversion factor determined by the Directors on the relevant Dealing Day as representing the effective rate of exchange applicable to the transfer of assets between the relevant Funds relating to the first and the new classes of Participating Shares after adjusting such rate as may be necessary to reflect the effective costs of making such transfer; and

RP is the Repurchase Price per Participating Share of the first class as calculated as at the Valuation Point for the Dealing Day on which the exchange is to be effected.

AND the number of Participating Shares of the new class to be created or issued pursuant to this Article shall be so created or issued in respect of each of the Participating Shares of the first class being exchanged in the proportion (or as nearly as may be in the proportion) S to R where S and R have the meanings ascribed to them above.

(f) The exchange of the Participating Shares of the first class specified in the Exchange Notice for Participating Shares of the new class shall (subject to paragraph (b) above) take place on a Dealing Day in respect of Exchange Notices received on or prior to the Dealing Deadline for the Dealing Day and the holder's entitlement to Participating Shares as recorded in the Register shall be altered accordingly with effect from that Dealing Day.

(g) On any exchange of Participating Shares pursuant to this Article, the Directors may add to the Subscription Price for the Participating Shares of the new class to be issued a fee, for payment to the Company or the Manager as appropriate, not exceeding 5 per cent of the Subscription Price for the total number of Participating Shares in the new class to be issued calculated as at the Dealing Day on which the exchange is effected.

(g) Requests for the exchange of Participating Shares as an initial investment in a class or Series will only be made if the value of the Participating Shares to be exchanged is equal to or exceeds the Minimum Shareholding for the new class. The Directors may refuse to give effect to any Exchange Notice if to do so would cause the relevant Members holding in the first class to fall below the Minimum Shareholding specified for that first class.

- (h) Where there is more than one class of Participating Shares or Series in a Fund and the holder of Participating Shares wishes to exchange shares of one class of Participating Shares or Series in a Fund for another class of Participating Shares or Series in a Fund the Member must satisfy the criteria laid down by the Directors for investment in the new class of Participating Shares or Series in the Fund.

SUSPENSION OF DETERMINATION OF NET ASSET VALUE, REPURCHASE AND EXCHANGES

21. (a) The Directors may at any time declare a temporary suspension of the determination of the Net Asset Value of any Fund and issue/repurchase of any particular class of Participating Shares or Series and the exchanging of Participating Shares in one Fund for those of another during:-
- (i) any period when any of the principal Markets on which a substantial portion of the Investments of the relevant Fund are quoted is closed, otherwise than for ordinary holidays, or during which dealings therein are restricted or suspended;
 - (ii) any period when, as a result of political, economic, military or monetary events or any circumstances outside the control, responsibility and power of the Directors disposal or valuation of Investments of the relevant Fund is not reasonably practicable without this being seriously detrimental to the interests of owners of Participating Shares of the relevant class or Series or if, in the opinion of the Directors, Repurchase Prices cannot fairly be calculated;
 - (iii) any breakdown in the means of communication normally employed in determining the price of any of the Investments or when for any other reason the current prices on any Market of any of the Investments of the relevant Fund cannot be promptly and accurately ascertained; or
 - (iv) any period when the Company is unable to repatriate funds required for the purpose of making payments on the repurchase of Participating Shares from Members or during which any transfer of funds involved in the realisation or acquisition of Investments or payments due on repurchase of such Participating Shares cannot in the opinion of the Directors be effected at normal prices or rates of exchange;
 - (v) any other period or for any other reason as may be specified from time to time in the then current prospectus issued in respect of the Company.
- (b) Any such suspension shall take effect at such time as the Directors shall declare but not later than the close of business on the Business Day next following the declaration and thereafter there shall be no determination of Net Asset Value and issue/repurchase of any particular class of Participating Shares or Series until the Directors shall declare the suspension at an end except that the suspension shall terminate in any event on the first Business Day on which:-

- (i) the condition giving rise to the suspension shall have ceased to exist; and
 - (ii) no other condition under which suspension is authorised under paragraph (a) of this Article shall exist.
- 22.
 - (a) Any such suspension shall be publicised in a newspaper circulating in the European Union if in the opinion of the Directors it is likely to exceed fourteen (14) days.
 - (b) Any such suspension of issue and repurchase shall be notified to the Competent Authority and (if applicable) the Stock Exchange immediately and in any event within the same working day and shall be notified to the competent authorities in the Member States in which the relevant class of Participating Shares or Series is marketed. It shall also be notified to investors requesting issue or repurchase of the relevant class of Participating Shares or Series by the Directors at the time of application or the making of the irrevocable request to repurchase. Any such request which is not withdrawn shall, subject to Article 19, be dealt with on the first Dealing Day after the suspension is lifted.
 - (c) Any such suspension of exchanges of Participating Shares in one Fund for those of another shall be notified to the Members requesting such exchange and, where the relevant Exchange Notice is not withdrawn, any such exchange shall, subject to Article 21, be dealt with on the first Dealing Day after such suspension is lifted.
 - (d) At the end of any period of suspension as aforementioned, unless the original publication of the suspension in accordance with Article 22 (a) above had indicated that the Directors expected the period of suspension to end within a specified number of and the suspension had, in fact, ended within that number of days, the Directors shall cause another notice to be placed in a newspaper circulating in the European Union stating that the period of suspension has ended and shall notify the authorities referred to in Article 22(b) accordingly.

TRUSTS NOT RECOGNISED

- 23. Except as required by law, no person shall be recognised by the Company as holding any share upon any trust, and the Company shall not be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share or (except only as by these Articles or by law otherwise provided) any other rights in respect of any share except an absolute right to the entirety thereof in the Member. This shall not preclude the Company from requiring the Members or a transferee of shares to furnish the Company with information as to the beneficial ownership of any share when such information is reasonably required by the Company.

SHARE CERTIFICATES AND CONFIRMATIONS OF OWNERSHIP

- 24. Every Member shall receive a written confirmation of ownership and if specifically requested by him be entitled without payment to receive within 30 days after receipt by the Company of such request together with payment for the Participating Share(s) in question and the necessary documentation or lodgement of a transfer (or within such other period as the terms of the issue shall provide) one certificate for all his Participating Shares of any one class or Series held by him or two or more certificates

each for one or more of his Participating Shares upon payment for every certificate after the first of such reasonable sum as the Directors may determine. Shares of different classes or Series may not be included in the same certificate. No person shall be entered on the Register unless the value at the then current Subscription Price of the Participating Shares subscribed for or acquired by such person is equal to or greater than the Minimum Investment Amount.

If any Member shall surrender for cancellation a share certificate representing shares held by him and request the Company to issue in lieu two or more share certificates representing such shares in such proportions as he may specify, the Directors may, if they think fit, comply with such request. Where a Member transfers part only of the shares comprised in a certificate the old certificate shall be cancelled and a new certificate, for the balance of such shares, issued in lieu without charge. Any two or more certificates of any one class or Series held by any Member at his request may be cancelled and a single new certificate for such shares issued in lieu without charge unless the Directors otherwise determine. However, the Company shall not be bound to register more than four persons as the joint holders of any shares (except in the case of executors or trustees of a deceased Member) and, in the case of a share held jointly by several persons, the Company shall not be bound, where a request for a certificate has been made, to issue more than one certificate therefor and delivery of a certificate to one of such persons shall be sufficient delivery to all.

Every certificate shall be sealed with the Seal and signed by the Depositary and the Company (whose signatures may be reproduced mechanically) and shall specify the number, class or Series and distinguishing numbers (if any) of the shares to which it relates and the fact that they are fully paid.

25. If a share certificate be defaced, lost, or stolen or destroyed, a new certificate may be issued in lieu thereof on such terms (if any) as to evidence and indemnity and the payment of out-of-pocket expenses of the Company in investigating evidence as the Directors think fit.

SHARE WARRANTS

26. The Directors with respect to Participating Shares may issue warrants (hereinafter called "share warrants") stating that the bearer is entitled to the Participating Shares therein specified, and may provide by coupons or otherwise for the payment of future dividends on the Participating Shares included in such warrants. The Directors may determine and from time to time vary the conditions upon which share warrants shall be issued and upon which a new share warrant or coupon shall be issued in the place of one worn out, defaced or destroyed, but no new share warrant or coupon shall be issued to replace one that has been lost unless the Directors are satisfied beyond reasonable doubt that the original has been destroyed. The Directors may also determine and from time to time vary the conditions upon which the bearer of a share warrant shall be entitled to receive notices of and attend and vote at general meetings or to join in requisitioning general meetings, and upon which a share warrant may be surrendered and the name of the bearer entered in the Register in respect of the Participating Shares therein specified. Subject to such conditions and to these Articles the bearer of a share warrant shall be a Member to the full extent. The bearer of a share warrant shall hold such warrant subject to the conditions for the time being in force with regard to share warrants whether made before or after the issue of such warrant. Every share warrant shall be issued under the Seal and shall be signed by the Company and the Depositary whose signatures may be reproduced mechanically.

CALLS ON SUBSCRIBER SHARES

27. The Directors may from time to time make calls upon the Members in respect of any monies unpaid on their Subscriber Shares provided that (except as otherwise fixed by the conditions of application or allotment) no call on any Subscriber Share shall be payable at less than fourteen days from the date fixed for the payment of the last preceding call, and each Member shall (subject to being given at least fourteen days' notice specifying the time or times and place of payment) pay to the Company at the time or times and place so specified the amount called on his Subscriber Shares. A call may be made payable by instalments. A call may be revoked or postponed as the Directors may determine.
28. A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed.
29. The joint holders of a Subscriber Share shall be jointly and severally liable to pay all calls and other monies due in respect thereof.
30. If a sum called in respect of a Subscriber Share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the sum from the day appointed for payment thereof to the time of actual payment at such rate as the Directors may determine, but the Directors shall be at liberty to waive payment of such interest wholly or in part.
31. Any sum which by the terms of issue of a Subscriber Share becomes payable upon allotment or at any fixed date thereafter shall for all purposes of these Articles be deemed to be a call duly made and payable on the date on which by the terms of issue, the same becomes payable, and in case of non-payment all the relevant provisions of these Articles as to payment of interest or otherwise, shall apply as if such sum had become payable by virtue of a call duly made and notified.
32. The Directors may make arrangements on the issue of Subscriber Shares for a difference between the Members in the amount of calls to be paid and in the times of payment.
33. The Directors may, if they think fit, receive from any Member willing to advance the same all or any part of the money uncalled and unpaid upon the Subscriber Shares held by him beyond the sums actually called up thereon as a payment in advance of calls, and such payment in advance of calls shall extinguish, so far as the same shall extend, the liability upon the Subscriber Shares in respect of which it is advanced, and upon the money so received, or so much thereof as from time to time exceeds the amount of the calls then made upon the Subscriber Shares in respect of which it has been received.

TRANSFER OF SHARES

34. All transfers of shares shall be effected by transfer in writing in any usual or common form or in any other form approved by the Directors but need not be under seal. No transfer of Subscriber Shares may be effected without the prior written consent of the Company. No transfer of any share may be made to a United States person except pursuant to an exemption available under the laws of the United States and with the approval of the Directors or their duly authorised agent.
35. The Directors may at any time direct that any Subscriber Shares not held by GAM Fund Management Limited for the time being or its nominees shall be compulsorily

purchased from the holder thereof at the price stated in paragraph (b) hereof in the following manner:

- (a) The Directors shall serve a notice (hereinafter called a "Purchase Notice") upon the person appearing in the Register as the holder of the Subscriber Shares to be purchased ("the Vendor") specifying the Subscriber Shares to be purchased as aforesaid, the price to be paid for such Subscriber Shares, the person in whose favour such holder must execute a transfer of such Subscriber Shares and the place at which the purchase price in respect of such Subscriber Shares is payable. Any Purchase Notice may be served upon the Vendor by mailing the same in a pre-paid registered envelope addressed to the Vendor at his address shown in the Register. The Vendor shall thereupon forthwith be obliged to deliver to the Company within 10 days from the date of the Purchase Notice a duly executed transfer of the Subscriber Shares specified in the Purchase Notice in favour of the person specified in the Purchase Notice.
 - (b) The price payable for each Subscriber Share transferred pursuant to this Article shall be the lesser of the amount of the nominal capital paid up thereon and €2.00.
 - (c) In the event of the Vendor failing to carry out the sale of any Subscriber Shares which he shall have become bound to transfer as aforesaid, the Directors may authorise some person to execute a transfer of any such Subscriber Share(s) in accordance with the direction of the Directors and may give a good receipt for the purchase price of such Subscriber Shares, and may register the transferee or transferees as holder or holders thereof and thereupon the transferee or transferees shall become indefeasibly entitled thereto.
36. The instrument of transfer of a share shall be signed by or on behalf of the transferor and (in the case of partly paid shares) by the transferee also. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof.
37. The Directors, may in their absolute discretion and without assigning any reason therefor, decline to register any transfer of shares (not being fully paid shares) and, in addition, may decline to register any transfer of shares in circumstances in which as a result of such transfer, the transferor or transferee would hold less than the Minimum Shareholding for the relevant Fund or the transferee is a person who is not entitled to acquire, purchase or hold shares in the Company, Fund, relevant class or Series.
38. The Directors may decline to recognise any transfer of shares unless:-
- (a) the instrument of transfer and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer is deposited at the Office or such other place as the Directors may reasonably require; and
 - (b) the instrument of transfer relates to shares of one class or Series only.
39. If the Directors decline to register a transfer of any share they shall, within two months after the date on which the transfer was lodged with the Company, send to the transferee notice of the refusal.

40. The registration of transfers may be suspended at such times and for such periods as the Directors may from time to time determine PROVIDED ALWAYS that such registration shall not be suspended for more than 30 days in any year.
41. Subject to Article 144 below all instruments of transfer which shall be registered shall be retained by the Company, but any instrument of transfer which the Directors may decline to register shall (except in any case of fraud) be returned to the person depositing the same.

TRANSMISSION OF SHARES

42. In case of the death of a Member, the survivors or survivor where the deceased was a joint holder, and the executors or managers of the deceased where he was a sole or only surviving holder, shall be the only persons recognised by the Company as having title to his interest in the shares, but nothing in this Article shall release the estate of the deceased holder whether sole or joint from any liability in respect of any share solely or jointly held by him.
43. Any guardian of an infant Member and any curator or other legal representative of a Member under legal disability and any person entitled to a share in consequence of the death or bankruptcy of a Member shall, upon producing such evidence of his title as the Directors may require, have the right either to be registered himself as the holder of the share or to make such transfer thereof as the deceased or bankrupt Member or Member under a disability could have made, but the Directors shall in any case have the same right to refuse or suspend registration as they would have had in the case of a transfer of the share by the infant or by the deceased or bankrupt Member before the death or bankruptcy or by the Member under legal disability before such disability.
44.
