

Warning note:

Kredittilsynet (The Financial Supervisory Authority of Norway) warns against investment offers marketed by Scott Fitzgerald Group

Kredittilsynet has been informed that Scott Fitzgerald Group (address: JLP Amang, Kuala Lumpur, Malaysia and Taipei 101 Tower Hsin-Yi road Taipei, Taiwan) has sold false shares to Norwegian investors. The company also offers services from the website www.scottfitzgeraldgroup.com. The company has also regional offices in South Korea, Kuala Lumpur/Malaysia, San Marino, Panama City/Panama and Taipei/Taiwan, and this warning also applies to these regional offices.

Kredittilsynet informs that Scott Fitzgerald Group has not received any approval to perform investment services in Norway, involving that the company does not have necessary authorisation in accordance with Norwegian law. This also involves that Kredittilsynet does not supervise the company and has not approved the services offered by the company. Kredittilsynet therefore recommends that investors do not enter into agreements or transfer values to Scott Fitzgerald Group.

Kredittilsynet's registry contains information on all companies which are authorized to offer investment services in Norway. A list (not complete), of parties in the market which operate without approval, can also be found on Kredittilsynet's website.
