

Pioneer Fund Solutions

Notice to Shareholders

Dear Shareholder,

Following the merger of Pioneer Investments with the Amundi group in July 2017, Amundi is now the market leader in Europe and among the top ten asset management companies globally.

We are now embarking on the next phase of a multi-stage integration process, aiming to deliver an enhanced product range with strength and depth of local and global investment knowledge across all asset classes.

The initial stage of the integration of the two successful asset management groups will involve the following:

- Streamlining and renaming of legal entities and activities.
- Aligning of the Luxembourg-based product ranges through fund name or investment manager changes, mergers and liquidations.

The Board of Directors of Pioneer Fund Solutions (the “Fund”) is writing to inform you of changes to the Fund as detailed below. Please carefully review the information provided.

The Board of Directors of the Fund will also inform you of any other changes affecting companies within the Amundi group and in connection with the Fund, by posting information on the website www.amundi.lu/amundi-funds. Such changes might relate to the appointment of a new investment manager within Amundi for your sub-fund, the change of name or the merger of any group company appointed or delegated by the Fund or any other similar change within the Amundi group affecting the Fund or sub-funds. Please take the time to consult the website for the latest information.
