\*\* The data shown is based on the last available pricing day, 28 December 2018.

\*\*\* Schroders has agreements in place to receive rebates on the management fees of some underlying investments. Please note that the figures shown in the Statement of Operations reflect the current level of accrual for rebate payments due to the sub-funds plus all rebate payments received during the financial year under review.

\*\*\*\* Please note that the figures shown in the Statement of Operations reflect the current level of accrual for the underlying management fee subsidy plus all subsidy payments received from the Management Company for the financial year under review.

\*\*\*\*\* This figure includes custody transaction costs that represent fixed rate charges per market levied by the custodian for the servicing of portfolio transactions.

\*\*\*\*\* The Other Expenses are composed of statutory fees and are mainly audit, legal and publication fees.

The notes on pages 19 to 298 form an integral part of these financial statements.

\* Please refer to the Directors' Report for the details of all corporate actions that occurred during the year under review.

\*\*\* Schrodgers has agreements in place to receive rebates on the management fees of some underlying investments. Please note that the figures shown in the Statement of Operations reflect the current level of accrual for rebate payments due to the sub-funds plus all rebate payments received during the financial year under review.

\*\*\*\* Please note that the figures shown in the Statement of Operations reflect the current level of accrual for the underlying management fee subsidy plus all subsidy payments received from the Management Company for the financial year under review.

\*\*\*\*\* This figure includes custody transaction costs that represent fixed rate charges per market levied by the custodian for the servicing of portfolio transactions.

\*\*\*\*\* The Other Expenses are composed of statutory fees and are mainly audit, legal and publication fees.

The notes on pages 19 to 298 form an integral part of these financial statements.

\*\*\* Schrodgers has agreements in place to receive rebates on the management fees of some underlying investments. Please note that the figures shown in the Statement of Operations reflect the current level of accrual for rebate payments due to the sub-funds plus all rebate payments received during the financial year under review.

\*\*\*\* Please note that the figures shown in the Statement of Operations reflect the current level of accrual for the underlying management fee subsidy plus all subsidy payments received from the Management Company for the financial year under review.

\*\*\*\*\* This figure includes custody transaction costs that represent fixed rate charges per market levied by the custodian for the servicing of portfolio transactions.

\*\*\*\*\* The Other Expenses are composed of statutory fees and are mainly audit, legal and publication fees.

The notes on pages 19 to 298 form an integral part of these financial statements.

\*\*\* Schroders has agreements in place to receive rebates on the management fees of some underlying investments. Please note that the figures shown in the Statement of Operations reflect the current level of accrual for rebate payments due to the sub-funds plus all rebate payments received during the financial year under review.

\*\*\*\* Please note that the figures shown in the Statement of Operations reflect the current level of accrual for the underlying management fee subsidy plus all subsidy payments received from the Management Company for the financial year under review.

\*\*\*\*\* This figure includes custody transaction costs that represent fixed rate charges per market levied by the custodian for the servicing of portfolio transactions.

\*\*\*\*\* The Other Expenses are composed of statutory fees and are mainly audit, legal and publication fees.

The notes on pages 19 to 298 form an integral part of these financial statements.
